From the Principal

Mrs Jo Martin

Tomorrow is Bishop’s Feast Day, we encourage all OLSH families and students to take part in this if they are able with celebrations being held at Karu. Our Year 7 students have been working on an item to perform there and will be travelling down to Karu leaving at the OLSH grounds at **5am tomorrow**. They will be under the direction of APRE, Mr Ray Rangatin, myself and Mr Jackson. Any OLSH friends or families who would like to make a free will donation towards the transport and other costs associated with the day would be appreciated. Sadly, presently Bishop is in hospital in Port Moresby and we pray for his health, well being and return to the Province. Remember no school tomorrow – we look forward to seeing everyone on Wednesday!

Team Sports

A note will go out today outlining some of the details regarding our proposed involvement in team sports at Mongop later in the term. Please ensure these forms are completed and returned so that we can proceed with planning and finalising details.

Our volley ballers getting some well informed tips from Mr Hukahu, Many thanks to those community members who are assisting us with this training

Bus/Truck Hire Wanted

OLSH is seeking transport for approximately 60 students to and from Mongop for three days for the team games.

Anyone who has a bus or covered truck for hire is asked to submit a quote to the school stating the following:

1. Cost of dry hire for three days 13 – 15 September
2. Number of passengers
3. Submit quote to school office by **Friday18 August** with contact

name and number

No Zumba tomorrow

No Zumba tomorrow, Tuesday, being Bishop’s Feast Day But get your Zumba shoes on for Thursday – all welcome – in the AV room 6pm. K5.

Fete – Saturday September 2

Don’t forget our fete is coming up shortly with many classes making, during their weekly art lessons, a host of fantastic arts and crafts to sell on the day. At last week’s PTF meeting the group decided that PTF would once again host Grand Food Central – that is a barbecue, ice creams, and any other assorted cakes or dishes parents and friends would like to assist with. The support of the PTF food stalls in the past have always ensured a huge success for the group which then channels these funds back into the school. Anyone wishing to assist the PTF with the food stall please see Jenny Thomas at the office and register your donation.

Fete Stalls

The PTF is also offering 5 stalls at a cost of K50 per stall at the

fete for interested businesses or individuals outside of school. Once again should you wish to reserve one of these please see Jenny at the office.

Red Cross Sexuality Sessions

Red Cross sexuality workshops for Year 6, 7 and 8 commenced today and will continue on Wednesday and next week .

Mock Exams

Mock exams have been rescheduled for Year 8, 10 and 12 for Week 7 in order for teachers to cover those topics they have found lacking from previous exams to get genuine results from the students on which to base further remedial work. WE apologise for any confusion regarding this.

School Photos

School photos will be taken next Friday 25 August, Please find attached an order form. All forms with the correct money are to be returned on the day of the photographs - 25 August. All High School students are to be in formal uniform on that day.

Magazine

The school is working towards producing the inaugural 2017 school Magazine. This will celebrate and showcase our year in review. We would be keen to hear from any organisations or individuals who would like to sponsor a page, for K200, in the magazine which they will then be credited with.

In Our Classrooms

It was great to see Mr Sarghou working on time this week with Year 4!
